Contributions at Cushman & Wakefield

Quang's 6 years and 7 months at Cushman & Wakefield saw him rise from Project Manager to Senior Project Manager, where he honed his skills in comprehensive project oversight and client representation.

Senior Project Manager (April 2018 – September 2020)

- Managed entire client projects, ensuring goals and objectives were achieved.
- Oversaw reports to clients and the company.
- Represented client interests throughout the project lifecycle and communicated with all stakeholders.
- Responsible for financial performance, budgeting, and achieving strategic business objectives.

Project Manager (March 2014 – March 2018)

- Prepared and developed project plans and budgets.
- Managed coordination with consultants, contractors, and authorities.
- Ensured successful project completion within budget and timeframes.
- Developed detailed development plans and oversaw project execution.
- Assisted in developing the project management team.
- Managed procurement processes and oversaw construction programs.

Project Management Roles: Kingsmen & Cogniplus

Quang's earlier career stages at Kingsmen Creatives Ltd and Cogniplus Interiors Vietnam provided foundational experience in project and site management, emphasizing quality control, budget management, and team coordination.

Project Manager at Kingsmen Creatives Ltd (Oct 2010 – Feb 2014)

- Developed project plans and schedules, coordinated projects.
- Set up and managed project teams, delegated and monitored work.
- Oversaw technical and architectural design, ensuring compliance with client and regulatory parameters.
- Managed project budgets and coordinated sub-consultants.
- Acted as the principal point of contact with clients.

Site Manager at Cogniplus Interiors Vietnam (Jul 2007 – Sep 2010)

- Planned projects effectively, ensuring adherence to requirements, specifications, and safety.
- Set up emergency plans and site facilities.
- Managed storage facilities and stock planning.
- Produced labor schedules and maintained project progress records.
- Managed all on-site sub-contractors and coordinated works.
- Advised and implemented cost savings.

Achievements

Quang Tran's leadership has been consistently recognized through prestigious awards and certifications.

Recommendations

Charles Herman

Senior Executive of Global Real Estate Capital Programs**August 8, 2014, Charles managed Quang directly**

"Congratulations Quang on your successful completion of earning your PMP designation. And, on your first attempt, very impressive! As you know, learning is a lifelong path, and you have the drive to continue to learn and grow as a Project Manager. Good things happen to those that work hard! Much success in everything you do! Chuck"

Nguyen Si Trieu Chau

Founder Atoha**January 27, 2016, Nguyen was Quang's mentor**

"I had the great pleasure of mentoring Quang Tran on his clearing PMP credential on 2014. He kept asking a lot of insightful questions that helps him deeply understand about PMP processes, and with his experience and knowledge in this field, he passed the exam easily and be a great certified Project Manager in the market. He is an innovative thinker and his contributions were essential to the success of the projects he delivered. I would highly recommend Quang as he is a huge asset to any team."

Helene TRAN

Front End Developer**December 16, 2019, Helene was Quang's client**

"I had the pleasure of working with Quang for 8 months at Servier Laboratories in Vietnam, collaborating on a office relocation project. Quang expertly filled the role of project manager over the project's phases. Quang's ability to coordinate all the stakeholders and push the deadlines made a dramatic difference."

Paul Tonkes

Deputy Director at Indochina Kajima**December 16, 2019, Paul worked with Quang but on different teams**

"I have had the pleasure of working with Quang for about one year now. We haven't yet had the chance to collaborate on any project, but I expect that could happen soon. Quang's kind personality and way of making you smile is an important quality to have in colleague, especially when the workload is high. Quang is a hard working project manager with an eye for detail and his ability to handle multiple projects, while accurately managing all projects timelines and budgets, earns my recommendation."

Minh Trang (Tanya)

Leading transformation and growth through communication with curiosity.**December 7, 2019, Minh Trang worked with Quang but on different teams**

"Though we don't work together in the same team but Quang has been recognised as one of the outstanding contributors to Cushman & Wakefield Vietnam every quarter throughout the years. I'm impressed by how well he work under pressure yet still manages to bring the smile to everyone in the office. It's truly pleasant to work with him!"

Trang Le

Vice President, CorpComms & CSR, Keppel Real Estate Division (Vietnam)**March 31, 2016, Trang worked with Quang but on different teams**

"Quang is my colleague at Cushman & Wakefield Vietnam, even though we are not working at the same department but I'm sure he is a real value asset for any companies he work for. His professionalism, enthusiasm and integrity have brought to Cushman & Wakefield Project Management Services big clients and strengthen the power for the team. Quang, keep up your great work!"

Recommendations

Viet Dao

Project Director**April 4, 2016, Viet worked with Quang but on different teams**

"Quang is an outstanding Project Manager. He has total commitment to his projects and has progressed his knowledge and Project Management capability greatly over last 2 years with Cushman & Wakefield (VN) Project Management. Using documentation and processes we have in place he is almost able to autonomously manage full project, including Client interface. He is such a good employee and key PM resource for C&W Vietnam."

Marc Snell

Principal at Plus Design Asia**December 7, 2019, Marc worked with Quang but they were at different companies**

"Quang is an extremely professional project manager with a great understanding of the architectural and engineering disciplines involved in construction. Even under pressure from demanding project schedules he remains calm and focused on the task at hand delivering great outcomes for his clients."

Quang Do

Founder of Green Viet (LEED Consultant)**December 7, 2019, Quang Do, LEED worked with Quang but they were at different companies**

"Quang Tran has been working as Project Manager for Grade A & B+ office fit-outs for years with strong track records. We together completed two LEED Gold CI projects with over 3,000 sqm each for International clients in HCMC. He also is working with us on another LEED CI renovation project for the whole building of a renowned client in D7, HCMC. Quang Tran is result oriented, experienced in coordination among various stakeholders and straight forward."

Joe Chu

Director, Dealer Market (SEA+Taiwan) at Steelcase**December 9, 2019, Joe worked with Quang but they were at different companies**

"Had pleasure to work with Quang for some projects, and he is very technical & detail oriented. Not only he brings the skills and experiences you are looking for from global PM firm, he also equipped with extensive local knowledge, which certainly plays an important role in navigating in complicated Vietnam Market."

Glenn Tan

Managing Director**January 18, 2020, Glenn worked with Quang but they were at different companies**

"I have worked with Quang for a few years now in some projects. He is a good Project Manager and responsible in very aspect of the details and specification."

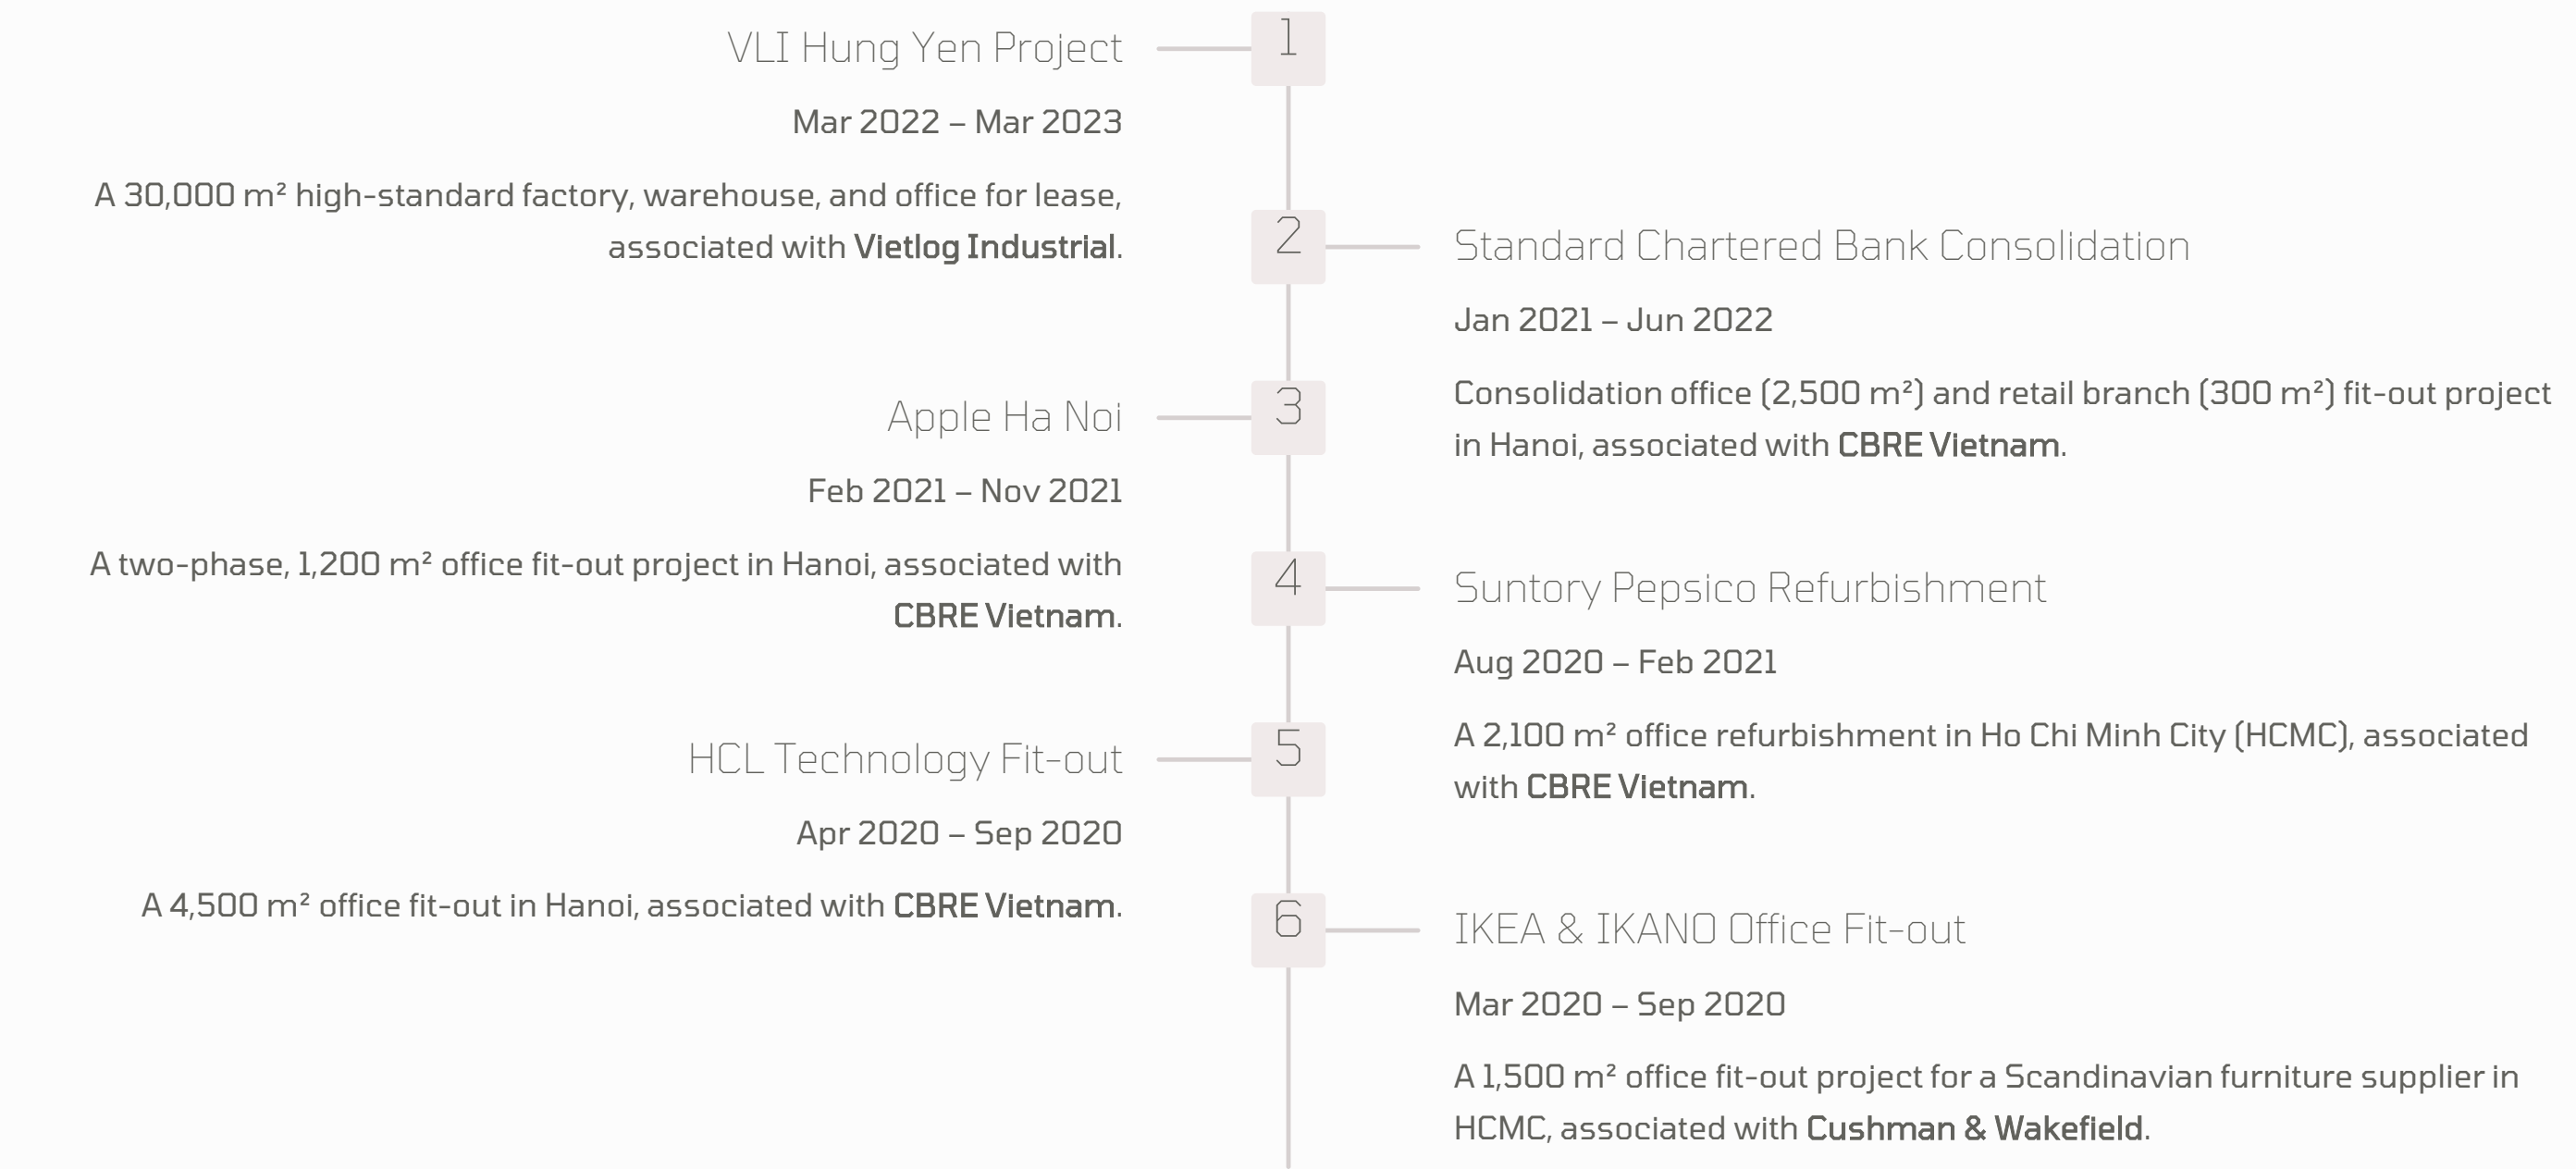

Adithya (Adi) Prasad

Director, R&D Partnerships & Consulting**January 21, 2020, Adithya worked with Quang but on different teams**

"I had the pleasure of working with Quang on one of Ho Chi Minh's largest workplace refurbishment programs (~1,000 Seats). During this time, Quang in his capacity as the Project Manager delivered an incredible job working with tough timelines, multiple rounds of design revisions and integrated himself seamlessly into the client project team. He kept the project on track with diligent follow-up, timely reminders and with a great attention to even the smallest details. I look forward to working with him again."

Key Projects: 2020 – Present

Quang Tran's recent project portfolio highlights his diverse expertise in managing large-scale industrial, office, and retail developments across various sectors.

Key Projects: 2014 – 2019

Continuing his extensive project history, Quang Tran's work from 2014 to 2019 showcases significant contributions to office renovations, relocations, and specialized fit-outs across various sectors.

Key Projects: 2013 - 2014

Quang Tran's project leadership in this period showcases his capability in high-profile retail and entertainment developments, working with leading international brands.
